

How to publish

OPEN ACCESS

2

SUBMIT YOUR ARTICLE

Upload your article and graphics files. Tools and templates are available to help with article preparation

1

CHOOSE YOUR JOURNAL

The IUCr publishes two open-access journals and seven hybrid open-access journals. Authors from developing countries may apply for a waiver at this stage

3

CONFIRM PAYMENT ABILITY

Confirm you can pay the open-access fee or have a payment waiver. The fees are used to meet the costs of peer review, journal production, and online hosting and archiving

4

AGREE TO WARRANTY/LICENCE

Under the CC-BY licence, you retain the copyright of your article, but allow others to reuse and copy your article provided the original authors and source are cited

6

PUBLICISE YOUR ARTICLE

Upon publication, the IUCr sets a promotional campaign into motion. Promote your work further using the author toolkit

5

PAY THE OPEN-ACCESS FEE

After acceptance, you will receive instructions on how to pay by credit card, cheque or voucher. Purchase order and invoicing arrangements are also available

7

ENJOY THE INCREASED VISIBILITY OF YOUR ARTICLE!

There are a number of advantages of open access including higher visibility of publications, higher citation rates of open-access publications and access to literature for scientists in the developing world
