

AsCA 2022 - 17th Conference of the Asian Crystallographic Association in Korea**Kyeong Kyu Kim, Sangho Lee, Changsuk Oh***Sungkyunkwan University, Suwon, Korea, Republic of (South Korea);**kyeongkyu@skku.edu*

The 17th conference of the Asian Crystallographic Association (AsCA) will be held in Jeju island, Republic of Korea, from October 30th to November 4. The conference venue is the Lotte Hotel, located on the beautiful seaside hill. The conference is planned to be held offline only at this moment. However, depending on the situation of Covid-19, mix of on- and offline meeting will be considered. The local organizing committee welcomes not only Asian crystallographer but also scholars from all over the world to the AsCA conference.
