### Report on the IUCr Logo Design Contest

A total of 165 designs sent in by 68 entrants from 21 different countries (see Table 1) were received by the IUCr Logo Committee as entries for the Logo Design Contest [*Acta Cryst.* (1988), **B44**, 199–200]. The Committee reached the final conclusion on Sunday 28 August 1988 in Vienna, prior to the Eleventh European Crystallographic Meeting. The sealed envelope containing the name of the winner was opened in the presence of President of the IUCr, Professor M. Nardelli, and another member of the Executive Committee, Dr E. N. Maslen. The winning entry was designed by

Professor Giovanni Predieri  
Istituto di Chimica Generale ed Inorganica  
Università di Parma, Italy

Mrs Susanna Ciribolla  
Centro Grafico  
Università di Parma, Italy.

The final design of the IUCr logo will be published in the Union's journals after some small adjustments have been made to the winning submission.

### Books Received

*The following books have been received by the Editor. Brief and generally uncritical notices are given of works of marginal crystallographic interest; occasionally a book of fundamental interest is included under this heading because of difficulty in finding a suitable reviewer without great delay.*
