(Received 27 January 1997)

An error in technical editing is corrected. In the paper by Ramos Silva, Paixão, de Almeida, Tavares da Silva, Sá e Melo and Campos Neves [*Acta Cryst.* (1996), C52, 2892–2894], the opening sentence of the *Comment* should read ‘As part of a study directed towards developing an efficient strategy for the synthesis of formestane, an irreversible aromatase inhibitor which has been shown to be very effective in the treatment of oestrogen-dependent breast cancer, the title compound, (I), has been synthesized as an intermediate.’
