

A cuboidal $[\text{Co}_4(\text{SO}_4)_4]$ structure supported by β -picoline ligands. Corrigendum

Ava M. Park,^a James A. Golen^b and David R. Manke^{b*}

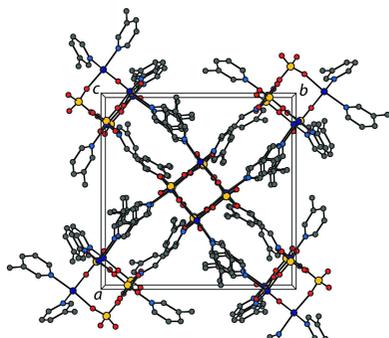

^aPortsmouth Abbey School, 285 Cory's Lane, Portsmouth, RI, 02871, USA, and ^bUniversity of Massachusetts Dartmouth, 285 Old Westport Road, North Dartmouth, MA 02747, USA. *Correspondence e-mail: dmanke@umassd.edu

In the paper by Park *et al.* [*Acta Cryst.* (2022), **E78**, 108–110], there is an error in the chemical formula in the title.

The chemical formula in the title of the paper by Park *et al.* (2022) is incorrect as $[\text{Cu}_4(\text{SO}_4)_4]$ and should be $[\text{Co}_4(\text{SO}_4)_4]$, as given above.
