

Notes and News

Announcements and other items of crystallographic interest will be published under this heading at the discretion of the Editorial Board. The notes (in duplicate) should be sent to the General Secretary of the International Union of Crystallography (G. Boom, Laboratorium voor Technische Natuurkunde der Rijksuniversiteit, Westersingel 34, Groningen, The Netherlands). Publication of an item in a particular issue cannot be guaranteed unless the draft is received 8 weeks before the date of publication.

Second International Colloquium on Thin Films

Budapest, 27 June–2 July 1967

The Second International Colloquium on Thin Films, sponsored by the International Commission for Optics, is being organized by the Hungarian Society for Optics, Acoustics and Filmtechnics and will take place in Budapest, Hungary, from 27 June to 2 July 1967. Further information can be obtained from the Secretariat of the Hungarian Society for Optics, Acoustics and Filmtechnics, Budapest V., Szabadság tér 17, Hungary.

Abstracts of the Moscow Congress

The abstracts of papers presented at the Seventh International Congress and Symposium on Crystal Growth, held in Moscow from 12 until 21 July 1966, will be published as part 7 of volume 21 of *Acta Crystallographica*. It is expected that this part will be distributed in December 1966, along with the regular part 6. Subscribers should make sure that all seven parts are included in binding volume 21.
